# Stone Age Gamer Saturn M.O.D.E.
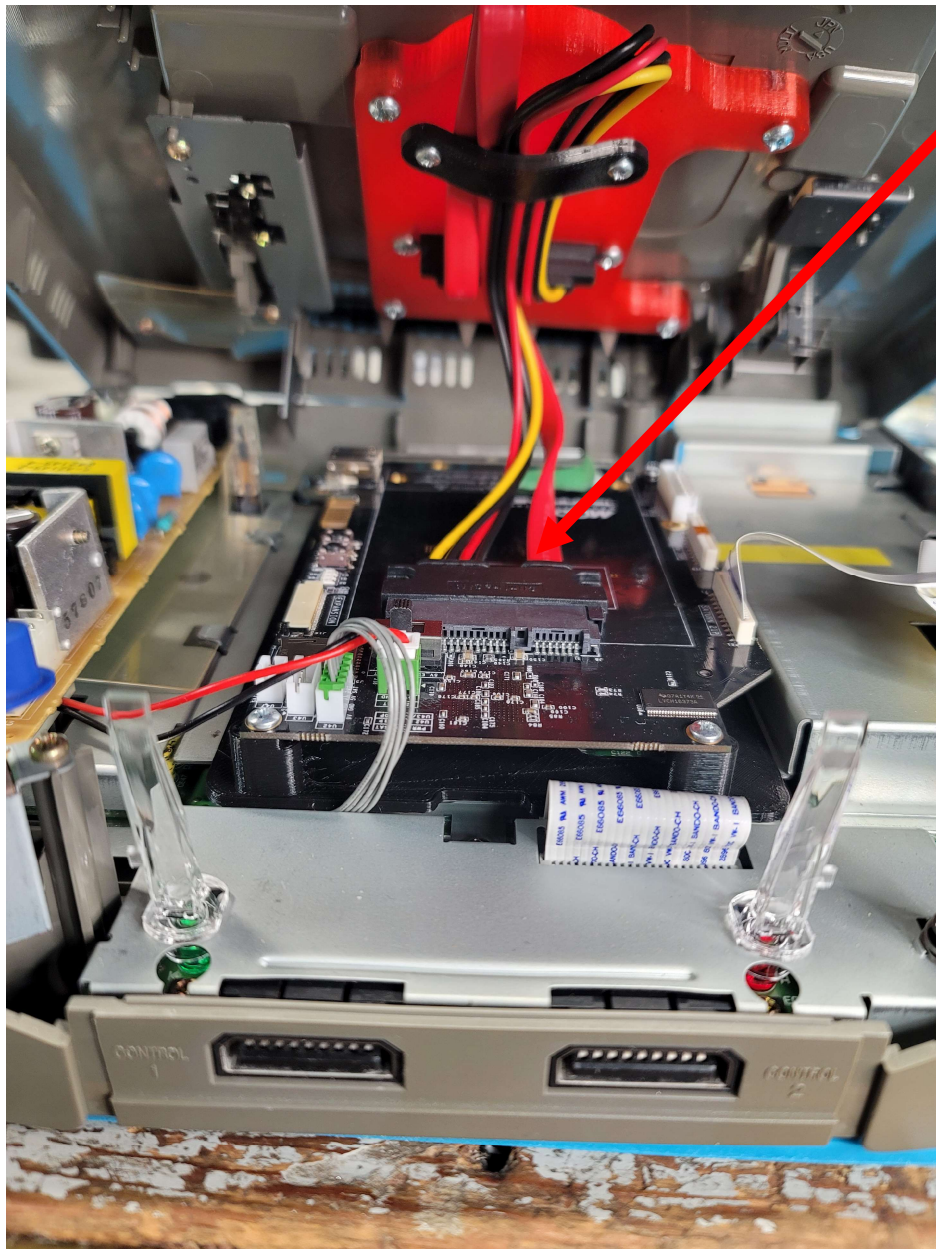

M.2 SSD Mount.

Works with SAG M.O.D.E. Mount.

Remove 5 screws and access panel from bottom of Saturn. Remove top of case.

Flip lid over. Place M.2 SSD mount and install 4 included screws.
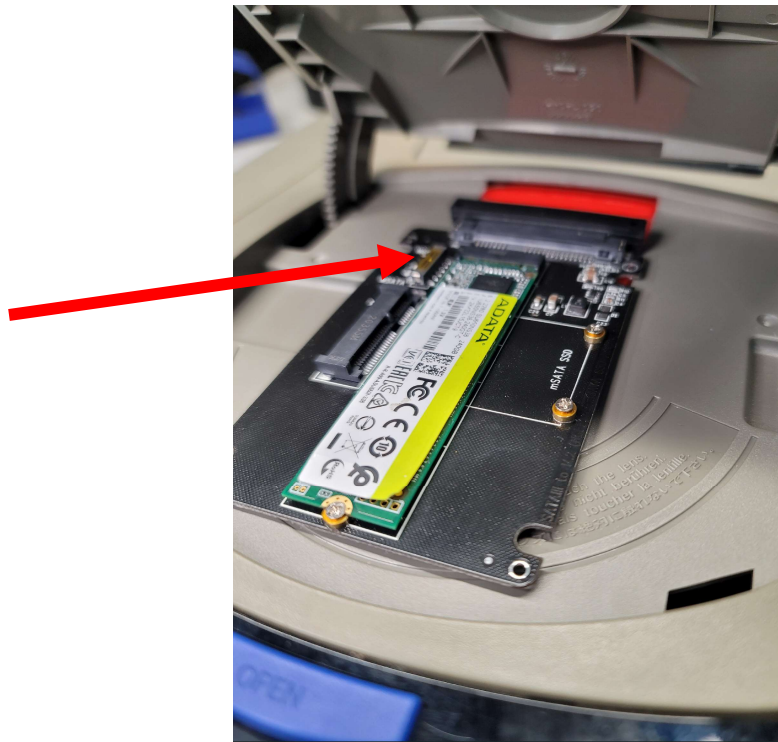

Remove Double sided tape. Plug in extension cable with tape facing the M.O.D.E..

Carefully place the top back on the Saturn

and install the 5 screws and access panel.

Open lid of the Dreamcast and insert the M.2 SSD

adapter with you M.2 SSD drive installed.

Ensure the switch on M.2 adapter is set to NGFF.

Enjoy.
